## RED BOOK CHAPTER 6

### Patient Transfer Facility Prehospital

**DISCLAIMER**

This Manual sets forth procedures and protocols deemed by AEMS to be within the acceptable standard of medical care. It is specifically recognized that there are acceptable variations from these procedures and protocols, which may also satisfy the standard of care. Therefore, variations from these procedures and protocols are not necessarily deemed to be outside the standard of care. This manual does NOT define, limit, expand or otherwise purport to establish the legal standard of care.

## Patient Transfer: Facility

### Statement Regarding EMTALA Standards

The section on Regional Transfer Guidelines has been deleted.

It has been superseded by current EMTALA (COBRA) documents.

AEMS endorses and expects full compliance with current EMTALA (COBRA) requirements for stabilization of emergency conditions and transfer between facilities.
